

Creating an Inclusive Classroom

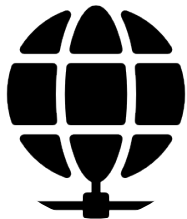

Promote a Positive Classroom Climate

Provide a welcome atmosphere for all students by arriving early to greet all students, engage in ice breaker activities for students to get to know each other and provide feedback for success in addition to grading assignments.

Embrace Students' Diversity

Value diverse talent, ethnicity, religion, gender, sexual orientation, language, socioeconomic backgrounds and academic readiness/ experiences.

Increase Our Own Cultural Competence

Engage in self reflection and professional development experiences to unpack unconscious bias. Face deficits by attending conferences and experiences that focus on diversity issues in the classroom and culturally responsive teaching.

Encourage Student Interactions

Encourage and provide experiences for students to collaborate and cooperate. Students will grow intellectually, emotionally and socially interacting with people from different backgrounds and life experiences.

Foster a Community of Learners Within Our Classes

Provide a welcome atmosphere for all students by arriving early to greet all students, engage in ice breaker activities for students to get to know each other and provide positive and helpful feedback for success in addition to grading assignments.
